Vol 76 No. 46 Wednesday, November 20, 1968

378-9136 35 Dillon Avenue Campbell California

OUT ON THE LIMB with George Vierhus

THE CAMPBELL PRESS will make its appearance two days earlier next week (Monday instead of Wednesday) because of the Thanksgiving holidays.

This will give the housewife a better break in taking advantage of any bargains in the food line that the market offers.

And any bargain will be appreciated, for the grocery bills generally hit new high marks during the holiday season.

It becomes a little complicated for us to publish two days sooner. There are a few logistic problems that must be worked out and it is necessary that most of the crew work on Saturday.

But then we will have Wednesday off.

-0-

FOR MANY YEARS THE big athletic event of the year in these parts has been the annual Thanksgiving Day battle between Campbell and Los Gatos high schools.

The game was even a Turkey Day tradition when there were only the two high schools (Campbell and Los Gatos) in the area. Prospect, which opened this fall, is the eighth high school in the Campbell district. Saratoga is the second school in the Los Gatos district and one more is on the drawing board.

Other Campbell district schools along with Saratoga that make up the West Valley League will also pair off in their Thanksgiving Day grid games.

But, of course, as it is said about the Rose Bowl...The Los Gatos-Campbell classic is the granddaddy of 'em all.

-0-

TRADITIONALLY THE Campbell Press has given a big spread on the Los Gatos-Campbell game in the Thanksgiving issue.

Quite a few years ago we developed the popular format whereby The Press publishes individual "mug" shots of all the Campbell High football players.

And each player is "sponsored" so to speak by a business man. The sponsor's picture appears alongside that of a football player.

-0-

AS YOU CAN WELL IMagine this gridiron promotion of The Press has been well received by the business community.

To sort of add spice (?) to the big spread, the businessmen don football helmets for their pictures.

But the modern helmet with its nose guard makes identification of the helmet-wearer somewhat of a challenge. Many prefer it thataway.

Naturally there are some businessmen who have appeared every year since the promotion was started. And their original pictures are still being used.

It is hard to realize that there have been so many improvements in football helmets in the last few years.

We suppose that to bring things into focus in a general way, a policy should be established on the number of years the same picture can be used. (Say every 10 years or so.)

Those HELMETS sure do change in one decade.

-0-

A GROUP OF BUSINESS people will be making their first appearance in next week's football spread.

The five banks will be represented by ersatz gridders wearing football helmets.

However, "ersatz" really should not be used to described the gridiron status of Tom State, manager of the Campbell branch of the First National Bank.

Tom claims to be the only local bank manager who is still active as a football player.

He is a member of the seven-man team of gridders composed of First National Bank people. Tom's team plays five touch football games each year against similar outfits on San Jose playgrounds. Tom is used at cen-

(Continued on Page 2)

Senior citizens protest building

In one of the few times in this community's history t[illegible]uch an action has occurred, an appeal has been filed with the C[illegible]y Council against a prior approval granted by the Planning Co[illegible]mission of building plans that had been submitted.

The appeal is on the agenda for the next City Cou[illegible]il meeting Monday, Nov. 25. The proposed structures would b[illegible]located on Gilman Avenue.

Even more unusual, as far as this city is concerned, is the appeal has been filed by a group not involved directly in the actual building itself.

The West Valley Senior Action Center in a letter signed by Mrs. Irma Reese, president, has submitted the appeal. Center members claim that location of the proposed warehouse-office buildings is in an area that has been recommended for high density multiple housing under the 701 advanced planning program.

Both the City Council and the Planning Commission have approved the recommendation. However, no action has been taken to change the present zoning of the area (Railway - Gilman - Dillon) which is now zoned light industrial (M-1-S). Under such zoning the warehouse-offices is allowed but w[illegible]d be prohibited in the rec[illegible]mmended R-3-S zone.

Ed Rider, a spokesman and director of the West Valley Senior Action Center, said that Railway - Gilman - Dillon area is needed for low-cost housing facilities for the people who have been displaced from their homes or now are living in sub-standard structures.

He indicated that plans are now being studied for a low cost housing program for that particular area.

"BLIGHTED" AREA

City officials have long been aware of the "blighted" condition of the Railway - Gilman - Dillon area. It was zoned M-1-S more than 10 years ago to stimulate construction of industrial buildings. Tied in with this zoning was a strong condemnation program against sub-standard buildings instituted by the city.

In 1964 a zoning and building moratorium was placed on the area, in order to study the problem. However, when almost 85% of the residents of the area indicated at a public meeting that they preferred M-1-S to any other zoning, the industrial zone was continued in force.

The recommendation of the planning consultant under the 701 program, subsequently endorsed by the council and commission, has created a difficult situation as far as processing building plans is concerned now.

Unless action is taken to change the zone, industrial buildings now comply with all current zoning conditions.

Thus by a 4-2 vote, the Planning Commission approved recently plans for a warehouse-office for Ed Williams at 80 Gilman and for a similar structure at 186 Gilman.

And on Monday of this week, the Planning Commission by a 6-1 vote (Dale Scott dissenting and Jack Healey absent) approved plans submitted by William J. Martin, Jr., for a warehouse to be constructed at 200 Dillon Ave.

The application by Martin was for an additional building to one that now exists on the adjacent property.

INTERIM ZONING

Immediately after the approval of the plans, a motion by Commissioner Thayer Lyons recommending that an interim zoning be placed on the area immediately and that also action be taken to initiate urban renewal for the area was passed unanimously.

In another action the Planning Commission Monday night approved plans of the Gunn Construction Co. for revision to the roof line on a commercial building at 2205-2215 S. Bascom Ave.

The commission, however, denied the application submitted by James Greenwood for a drive-in film developing and sales building in the Rolling Hills Shopping Center at Hacienda and San Tomas.

The Planning Commission had previously denied a similar operation for the Kirkwood Plaza center submitted by Harold E. Martin which has been appealed to the City Council and is on next Monday's agenda.

CITY COUNCIL

Next Monday the City Council is also expected to discuss and possibly take action on methods that would regulate the storing of boats and trailers in front yards within the city limits.

The council has previously touched on the problem but may be spurred to definite action because of a letter submitted this week by three local residents, Mrs. Margaret B. Lander, 141 Coventry; Mrs. Margaret L. Taylor, 61 La Vonne Dr. and Douglas Lausen, 109 Coventry, expressing concern over the situation.

The City Council next Monday will also hold a zone change hearing for the former Gomes Ranch. A zone change has been requested from R-1 to C-1-S and R-3-S.

RAIN DROPS

During the last week a total of .86 of an inch of rain was recorded in Campbell, bringing the total for the season to 2.41 inches. Last years total at this same date was .43 of an inch with normal at 2.10 inches.

During the 1967-68 season total rainfall measured 14.51 inches.

EARLY ISSUE

THE CAMPBELL PRESS will be delivered by carrier next Monday afternoon, Nov. 25, instead of on its usual day of publication, Wednesday, because of the Thanksgiving holiday.

The Press will be closed on both Wednesday, Nov. 27 and Thursday, Thanksgiving, Nov. 28.

The Press will present its traditional football spread in next week's issue prior to the traditional Turkey Day grid battle between Los Gatos and Campbell high schools on the Campbell High field.

Director change

Chris Wardle of Westmont High served as director of public works for the City of Campbell during the recent "Student Government Day" as counterpart of Bill Wren, regular public works director.

Chris took the place of Seth Paronich, also of Westmont, who was first named to the position and was pictured with Wren in last week's issue.

Four high schools of the area (Campbell, Del Mar, Prospect and Westmont) participated in the program. In the morning they worked with the city officials and were guests of the Kiwanis Club at noon.

They went back to classes in the afternoon and in the evening reported on their day's activities at the City Council meeting.

"Rolling stock" bids for city exceed $39,000

Low bids totalling $39,290.44 were accepted by the City Council last week for various units of "rolling stock" for the city. The rolling stock included six sedans and a street sweeper.

Because the bids submitted were higher than the amounts that had been budgeted, it was necessary to transfer $1,595 from unappropriated fund balances.

Courtesy Chevrolet of San Jose was the successful bidder for two four-door sedans; ($2,029.60 and $2,147.07) one 3/4 ton cab-chassis ($2,072.15) and one standard delivery van truck ($2,257.72) for a total of $8,506.54.

Grant Bishop Chevrolet was awarded the bid for one 3/4 ton cargo van ($2,566.90) and two ½-ton pickups ($3,973.32) for a total of $6,540.22 and Normandin's Chrysler-Plymouth was the successful bidder for two police four-door sedans for $5,165.45.

Western Traction Co. was awarded the bid for a four-wheel street sweeper at $15,000, just $156 lower than the bid submitted by Nixon-Egli Equipment Co. Only two bids were received.

Southwest Flexible Co. was the low and successful bidder for the sewer rodding machine at $3,921.33. Three bids were received. The others were San Rafael Equipment at $3,968.58 and Flexible Pipe Tool Co., at $4,031.16.

Involved in the bidding for the automobiles and trucks was the trade-in factor of the city-owned cars. The bids were for the net price.

Trade-ins offered included $450, for a 1965 Chevy; $125 for 1963 Plymouth and $100 for 1951 GMC carryall.

A 1959 Chevrolet in another bid rated $75, while two 1956 pickups brought $200 each.

Local Methodist church to host bishop at reception on Sunday

A combined youth choir representing the Methodist churches of the area will present especially arranged music next Sunday, Nov. 24, when Bishop and Mrs. Charles F. Golden of the United Methodist Church are honored at the Campbell church.

The Rev. W.H. (Ben) Gould, pastor of the First United Methodist Church of Campbell, will preside at the worship service which will be held at 7:30 p.m. in the sanctuary.

Following the service, at which the bishop will speak, a reception will be held for Bishop and Mrs. Golden in the Fellowship Hall under the direction of the Women's Society of Christian Service of which Mrs. Robert Smith is president. The public is invited.

The 54 churches in Santa Clara, Santa Cruz and Monterey counties that make up the San Jose District are sponsoring the service and reception, the first in the area for the bishop who took office in July.

Among those who will participate in the service are the Rev. Arthur Schuck, district superintendent; Dr. Theodore Palmquist, pastor; Palo Alto; the Rev. C. Scott Autrey, pastor, Morgan Hill and Ronald J. Buckles, district lay leader from Pacific Grove.

In addition to the youth choir, a combined adult choir of the area churches, will also sing at the service.

The special arrangement of folk music that will be presented by the youth choir includes six guitars and tambourines. The choir is composed of about 60 young people.

BISHOP C.F. GOLDEN

Bishop Golden was born in Holly Springs, Miss. and was educated at Clark College, Atlanta; Gammon Theological Seminary, Atlanta; and Boston University. He is married to Ida Elizabeth Smith, a graduate of Rust College, Miss.

He served as pastor of churches in Alabama, Georgia, Arkansas, Mississippi and Tennessee. He was a chaplain in the U.S. Army 1942-46 and was elected as bishop and assigned to Nashville-Birmingham area in 1960; assigned to the Nashville-Carolina area in 1964 and to San Francisco in 1968.

Garbage cans get dressed up by kids

The clean-up "bug" hit Rolling Hills School again last week and all the garbage cans got a face-lifting!

Twenty-eight garbage cans, making their "homes" in 28 classrooms, and decorated by the school's seventh and eighth graders, competed in a contest.

Four faculty members and four students undertook to judge the cans, rating them on attractiveness, neatness, cleverness and workmanship, with a maximum of 10 points in each category.

Top winner, scoring 290 points out of a possible 320 was a fire-eating dragon, designed and painted by Phil Zeip's S3 homeroom. The class received a plaque at an all-school assembly last Friday. A six-legged "litterbug" received honors as the second best decorated with 285 points. This came from Bud Jolimay's S4 classroom.

"Snoopy" ran a strong third, with 279 points, as John Pimentel's S5 brought the popular canine out in red, white and blue, complete with striped hat (in another can, which didn't place in the finals, he and the Red Baron were shooting it out).

Fourth and fifth place awards were given to Miss Sharon Borg's P11 class, who depicted a small bandido and to Don Peckham's P2 with a huge eagle. Their point scores were 269 and 265 respectively.

The cans will be pressed into service throughout the year as each class will use theirs to keep a specified area of the school grounds litter-free.

YES, THEY CAN BE BEAUTIFUL--Students at Rolling Hills school proved that garbage cans can be works of art. During a recent contest students from the different classrooms do their classroom cans up in various designs, a few of which are depicted ab[illegible]

GARBAGE CAN ART--Three graphic examples of "artwork" by Rolling Hills school students were these three entries in the school's recent decorate-a-garbage-can contest. The contest was part of the school's continuing "litter-conscious" attitude which continues throughout the year.

Campbell ranks sixth in county in smoking tax

Campbell held sixth place among the cities of the county in amount of cigarette taxes received in both September and October, according to State Controller Hugh Flournoy.

But in the apportionment of highway users tax for the two months Campbell ranked ninth, receiving $15,823.37 in September and $16,824.92 in October.

In the cigarette derby, Campbell was apportioned $8,488.16 for September and $8,255.17 in October. The county received $45,550.66 in September and $44,369.17 in October.

Only San Jose, Santa Clara, Sunnyvale, Palo Alto and Mountain View topped Campbell in the amount of tax.

SANTA GETS THE WORD--The two children of Mr. and Mrs. Keith Kelley, of 3314 Fawn Dr., San Jose, took advantage of the opportunity offered recently by Campbell Drugs to inform the jolly old gentleman what they wanted for Christmas. Their mother is the former Marjorie Deiss, daughter of Mr. and Mrs. Carl Deiss, well known in this area.

Editorial

A good record

Ed. Note:
The Campbell Press felt that the following report by Neal Royer, superintendent of the Campbell Union (elementary) School District, on the activities of the young people of the district, would be of interest to the community as a whole.....G.V.
By NEAL ROYER
Superintendent, Campbell Union (elementary) School District

Campbell Union School District parents, teachers, administrators, and community taxpayers can be very proud of the 11,500 boys and girls in grades kindergarten through eight for the responsible conduct exhibited throughout the area on Halloween.

Campbell Elementary administrators and building custodians expressed full confidence in their students by taking no special precautions to guard buildings against potential vandalism on Halloween.

The matter was left in the hands of the students, and the payoff came the next morning when it was determined that all nineteen schools came through the night of goblins and ghosts without so much as a scratch, broken window or soaped screen.

As far as can be determined, this is the first time that all schools have fully escaped the mark of vandals on Halloween Night.

It is impossible to estimate the monetary savings from this fantastic sense of responsibility, but the origin of this community success may be traced to leadership activities of the 7th and 8th graders during the past two years.

These students have led the way for both old and young by giving active support to our community beautification program, mini park, and other productive activities within their individual schools. Students have called their activity "Project Pride", and this theme has resulted in improved guidelines for care of schools, preventive maintenance, and beautification of school grounds in schools throughout the district.

Student leaders have been able to visit other schools of comparable size and enrollment for the purpose of seeking new ideas and comparing ideas being used at the moment. They have taken note of activity by their peer group throughout the district.

These young citizens have become interested in the cost of maintenance and replacement of various items including locks, glass, screens, and other items within the school.

Students attend meetings of the school board for the purpose of seeing their leaders in action, and board members have given the students a warm welcome.

Schools' officials are most optimistic that this spirit will continue to grow throughout the district, and plans are being developed to give adequate recognition to these students for their admirable display of responsible citizenship.

Perhaps the so-called generation gap can be bridged by allowing the younger generation to show us the way in some of the areas of concern.

There is a definite place in our schools of today for the assumption of responsibility and respect for public property by our youth.

The boys and girls of Campbell Elementary District realize this fact of life, and the community as a whole will profit.

Favorite recipes from our Campbell readers

THANKSGIVING PIES

Tired of the same old heavy pumpkin pie and mince pies after the hearty Thanksgiving dinner? Here's a suggestion from one of our readers that will lighten the after dinner treats.

After making the usual pumpkin pie recipe, as a final touch, add the well-drained contents of one medium sized can of crushed pineapple, per pie, to the filling. Be sure that all the juice has been drained off or your mix will be too soupy. Cook until the mixture comes out clean on a silver knife blade.

The same reader has a hint to stretch the traditional mince meat pie mixture. Use one jar of mince meat mix, for each pie and add a half cup of raisins and two finely diced apples. Stir well and bake until well done.

Our readers are welcome to send in their favorite recipes or household hints they would like to share with others.

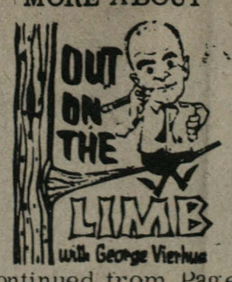
MORE ABOUT



(Continued from Page 1)

ter, end or linebacker.

The four other local bankers who will appear in next week's issue in football helmets made no such claims to gridiron fame.

They have other forms of recreation. Don Kennedy of the Bank of America, for example, wears a helmet quite often. But it is not the football type. He uses it when he is soaring or gliding.

And Bob Blonder, of the First Valley, doesn't need a helmet on the golf course where he shoots to a seven handicap.

Oscar Sorenson of the Bank of America and Mike Vicevich of Wells Fargo indicated they didn't play football any more.

So Tom State had things pretty much his own way.

One probably could call our local banker's fearsome fivesome a pony backfield. Others probably would call it something else.

But they should do well on the delayed buck.

They have the experience.

-0-

THE EDITORIAL LAST week suggesting that the so-called mini-park at Alice Ave. and Winchester Blvd. be named the Joseph V. Gomes Park was well received, we are happy to report.

As far as we have been able to determine there is no set policy of the city which specifies that a park must be named after a street, although such a policy may have been discussed at the parks and recreation commission level.

We firmly believe that it is too darn impersonal to name a park after a street. There are many people who have contributed a great deal to their community who are deserving of recognition and naming a park is small tribute to pay them.

The late Joe Gomes is one of those, we feel, should be thus honored.

A member of a pioneer family of the area, he was a law graduate of Stanford, after practicing law for a few years, he returned to his home town to operate the ranch when his father passed away.

Although a "rancher", he took an active interest in civic affairs and was elected to the first city council. He also served for many years on the Campbell Union High School board of trustees. He was a member of the board at the time of his death a few years ago.

He was fiercely loyal to his community and this legacy has been passed on to members of his family.

We sincerely believe that naming the Alice Ave. park after him would be a fitting tribute.

We also sincerely believe that other civic leaders of the past and present could be honored in a similar manner.

-0-

THERE IS NOTHING wrong, in our opinion, in recognizing the efforts of civic leaders in some material way.

There have been many dedicated individuals who have worked long hours for their community with no thought of personal gain other than to make a better community in which to live and work.

Just to name a few:

Charlie Rose, for example, has been a long-time advocate of park development for the community. Whether one agrees or disagrees with Charlie's philosophy at times is unimportant in our book.

He served longer than any other man in the community on the City Council and his dedication to his native community is unquestioned.

Councilman Ed Rogers, will complete his third term in 1970 which will be a record of council service for this community.

Dick Morton, now a San Jose resident, this city's first mayor and who holds the record for service in the mayor's chair.

And there are many others that we could list.

Our point is a simple one. Why not honor our own citizens?

EARLY CHRISTMAS--Santa's favorite helper, Kathy Johnson, gives Santa a helping hand as he loads nearly $87 million in Bank of America Christmas Club checks into his sleigh.

According to Don Kennedy, manager of the Campbell Ave. branch of Bank of America and Oscar Sorenson, manager of the Hamilton branch, said that 550 residents in the area received checks from the two local branches totaling $125,000.

REAPPOINTED--Mrs. Margaret Fraker, of 150 W. Hamilton, has been reappointed by the City Council to the Parks and Recreation Commission. She fills the vacancy created by the resignation of Mrs. Linda Neil.

Mrs. Fraker served on the commission from January 1967, through March 1968, when she moved out of the city. She has now moved back into the city limits. She is a long-time Campbell resident, having attended both the elementary and high schools.

Wedding date set

LETITIA ANN LANTZ

The betrothal of Miss Letitia Ann Lantz to Dean Thomas Morgan was announced recently by Miss Lantz's parents, Mr. and Mrs. Wayne F. Lantz of 849 Kenneth Avenue, Campbell.

Tish, as she is affectionately known by her many friends, is a graduate of Campbell Union High School and of the Electronic Computer Programming Institute. She is presently employed by the Pacific Telephone Company.

Dean is the son of Mr. and Mrs. Andrew J. Morgan, 18821 Aspesi Dr., Saratoga. He attended Westmont High School and is employed in construction work.

A Dec. 7 wedding is being planned by the young couple at the First Immanuel Lutheran Church, San Jose. They plan to make San Diego their new home following the nuptial ceremony.

Moose Lodge moves to new home open house planned for Nov. 30

Cecil Webster, Supreme Governor of the Loyal Order of Moose, will be paying an official visit to the Campbell Moose Lodge No. 1811 on December 1. He will be accompanied by Buck Swan, the Regional Director.

In preparation for the official visit, members of the Moose Lodge have been hard at work completing their new meeting hall at 785 McGlincey Lane. The new organization, which was only charted a year ago in June, has been meeting in the Legion Hall pending completion of their new hall, and in celebration of the move, are planning an open house, to be held Saturday, Nov. 30. They now boast a membership of over 200.

The MooseLodge is justly proud of the accomplishment of having obtained a place to call their own in such a short time, and are graciously inviting the community to their open house from 10 a.m. to 6 p.m. Refreshments will be served.

Concurrent with their celebration of moving into their new hall, the Moose are conducting a membership drive, and in connection with the drive, they are holding a Booster Night meeting tonight and are inviting prospective members to a spaghetti dinner and a tour of the new facilities.

The members hope to have 45 new enrollees to present to the Supreme Governor in honor of his visit. Sponsorship of a member is necessary, according to George Lychak who can be contacted for further information at 269-1167.

PTA

WESTMONT HIGH

The "Communications Gap" will be thoroughly aired, discussed and talked about tonight at the Westmont High School PTA meeting held in the cafetorium.

Featuring a theater in the round audience grouping, a panel of students, parents and teachers will try to bridge the lack of communication between the adult world and the nearly adult world, with Charles Ogden faculty member serving as moderator.

Student panel members include Judy Tuttle, senior, varsity cheer leader, Betty Mitchell, sophomore; Chris Pace, senior; Chuck Allison, senior; Seth Paronick, senior and student body president, and Cindy Tracy, senior.

Representing the parents side of the fence will be Robert Jones. Robert Bondelie, director of education will make the introductions and "set the scene" for what promises to be a very interesting evening. The meeting will convene at 7:30 p.m., with Gloria Hauck, PTA president, presiding.

COME AND BUY, COME AND BUY--all the lovely wares for sale. A bountiful display of gifts, decoration and useful household items are being offered at the St. Lucy's Mother's Guild "Festival Bazaar" this week. Looking over the items which will be for sale are l. to r. Mesdames Peter Ricci, Dennis McEffe and associate member William Murtha. The public is invited to come and browse.

NEW AGENT

Ernest N. French, Jr., 284 Superior Dr., has been appointed agent for the Sunnyvale district agency of the Prudential Insurance Co.

French is a native of Washington State and a former member of the U.S. Army for three years.

French and his wife Barbara have two children.

GRANGE BREAKFAST

Orchard City Grange No. 333, will hold its regular monthly breakfast on Sunday, Nov. 24, from 9 a.m. to 2 p.m. at the Grange Hall, 109 N. First St., Campbell.

The public is invited to attend.

SINGLES CLUB

All single Catholics, 35 and over, are invited to attend the November meeting to be held tonight, (Nov. 20) at St. Francis Cabrini's hall. A combined meeting and social meeting will be planned for December.

St. Lucy's Mothers Guild holds annual "Festival Bazaar"

The Mothers of St. Lucy's Guild will hold their annual "Festival Bazaar" Thursday, Nov. 21 from 7 p.m. to 10 p.m. and all day Friday, Nov. 22 from 9 a.m. to 10 p.m.

Many attractive, useful and unique items will be displayed in the parish hall, 2350 Winchester Blvd., Campbell.

Through the creative talents of the group, the familiar bazaar favorites, will be offered, including embroidered articles, stuffed toys and dolls and many novelty items which must be seen to be appreciated.

In the goodies and sweets section, home made candy, fruit cakes, jams, cookies and nut breads will be offered for sale. Coffee will be served free to all attending, and to go with it hot pizza, and doughnuts will be on sale. A refreshing glass of cool punch will be available for the small children or grown-ups alike.

Other booth features include a white elephant table; used books section and an added feature will be the sale of Christmas cards.

One of the main features of the bazaar will be free door prizes and $100 in cash prizes to be given away.

Chairman for the annual event include Mesdames Peter Ricci, and G. Oneto, with tickets and door prizes being handled by Earl Bubliz.

Further information may be obtained by calling 377-1803.

Home and School Club News

LYNHAVEN

Members of the Lynhaven Home and School Club are in high gear these days preparing for their International Foods Bazaar, which will be held on Saturday, Nov. 23 at the school, 881 Cypress Ave.

Festivities are being planned from 11 a.m. to 3 p.m., with the highlight focusing on the booths offering foods from many nations. During the afternoon a children's art exhibit will be on display and game booths will offer entertainment. The "Flea Market" corner will feature many good items, large and small offered at reasonable prices.

ROSEMARY

A panel discussion on "Drug use, abuse and the juvenile" will be held during the Rosemary Home and School club meeting scheduled for tonight in the school cafetorium, 401 W. Hamilton Ave.

The public is invited to attend this vital meeting. Participants in the discussion will be Dr. Harvey Newton, psychiatrist in Palo Alto; Sgt. Richard Barry, juvenile bureau, Santa Clara police department, and Frank Gomez, delinquency prevention coordinator, Santa Clara County juvenile probation department.

The panel will explore vital areas as to the causes of drug use of juveniles; the effects of drug abuse on the juvenile, family, friends and society and society's attitudes. Methods and techniques in prohibiting and preventing the use of drugs by the juvenile will also be discussed.

A question and answer period will follow the panel discussion.

BARGAINS GALORE--are being offered at the WSCS "Bargain Bazaar" to be held at the First United Methodist Church of Campbell Friday. Shown finalizing plans for the Nov. 22 event are, l. to r., Mesdames Arthur Sheldon, Herbert Lietz and David Myers.

WSCS "Bargain Bazaar" opens Friday, Nov. 22

Low prices and high quality merchandise will be offered for sale Friday Nov. 22 when the Women's Society of Christian Service hold their "Bargain Bazaar" at the First Methodist Church of Campbell.

The doors will be open from 10 a.m. to 5 p.m., with a luncheon buffet being served from 11:30 a.m. to 1:30 p.m., according to Mrs. Herbert Lietz and Mrs. Arthur Sheldon, general chairman for the event. Luncheon tickets will be available at the door.

Offered for sale will be aprons, homemade candy, baked goods, gift items, Christmas decor and gifts, dolls and toys. Other booths will feature a thrift shop, "twice read books" and a mini flea market.

Other chairman for the bazaar are Mrs. Ralph Costello, luncheon; Mrs. David Myers, tickets; Mrs. Charles Flohr, baby-sitting and Mrs. Earl Wight, publicity.

Booths will be manned under the direction of Mesdames John Boone, Henry Uchytil, Bill Ashnaur, Ralph Wygal, Clarence Helmbold, Russell Bessom, Allen Landstrom, Joseph Snyder and Robert Graves.

Around and About

O.E.S. MEET

Campbell Chapter No. 553, Order of the Eastern Star, will hold its regular meet Friday, Nov. 22 at the IOOF Hall, 276 E. Campbell Ave. Convening at 8 p.m., the meeting will be presided over by Karol Lake, Worthy Matron and Marcus Greathouse, Worthy-Patron. Thelma Fitch, Associate Conductress will also preside.

THURSDAY MEET

Members of the Campbell Community Hospital Auxiliary will meet Thursday, Nov. 21 at 10 a.m. in the conference room at the hospital, 1650 Winchester Blvd.

Miss Rita Nicaden, Director of Nursing, will be the guest speaker. Mrs. Eric Schramm, president, will preside.

PROMOTED

Kenneth R. Benbow, son of Mr. and Mrs. Standish R. Benbow, 403 Kings Ct., has recently been promoted to the rank of cadet sergeant first class at the New Mexico Military Institute, Roswell, New Mexico.

WEEKEND RETREAT

A weekend retreat for married couples will be held at Vallombrosa Retreat Center, Menlo Park, Nov. 22-24. All faiths are welcome. Contact Mr. and Mrs. Verdon Zelmar, 378-3206 or Mr. and Mrs. William Bradley, 379-8881 for further details.

Legion post inducts 16 new members

Sixteen new members were inducted into the American Legion West Valley Post 158, during recent impressive ceremonies held at the Legion Hall, 1344 Dell Ave.

Conducting the initiation was Ed Calhoun, past commander 13th District, American Legion with his drill team.

The new members bring the total membership of the local post to 214 according to Keith Marcuson, post commander. This is the highest it has been since 1958 and exceeds the projected membership quota for 1969.

It is anticipated that the membership will reach 300 before the close of the current drive. Prospective members interested in more information are urged to call the Legion Hall, 354-4733.

Camden Chatter

By Diane Carman

Camden seniors have chosen 24 of their class to be Senior Mosts for 1968-69. The voting took place on November 6, with the results coming out on the 8.

Best Dressed are Toni Clementi and Tony Cefalu. Best Looking are Barbara Roberts and Mark Dudley, and the two with the Best Personality are Carol Price and Bruce Howard. Most Friendly are Nanci Inman and Lee Daugherty; Most Brainy are Mina Miller and Daryl Fazekas, while the Most Active are Gail Newton and Dennis Garvey. Most Spirited are Nancy Jo Rodrigues and Lou Franson, Best Athletes are Cathy Fernandez and Rick Menden, with the Most Likely to Succeed being Ann Grewhol and Dave Long.

The Most Witty category goes to Debbe Mercurio and Steve Boatwright, Best All Around are Cheryl Aho and Lou Franson, and rounding out the list is Class Flirt, Cheri Abbey; and Wolf, Chris McQuillin.

***

G.A.A. sophomores are going to contribute a little Thanksgiving cheer to a needy family this Nov. 28 with a traditional charity basket.

Lauri Burnham and Suzanne Foreman, sophomore representatives, stated that the girls will contribute to the basket both financially and by bringing canned food. In doing this, the sophomores hope the family will enjoy a happy Thanksgiving.

A snow trip, a trip to San Francisco, a tour of the State Capitol, and a picnic are some of the activities put under consideration during the first CSF meeting of the year, Oct. 30.

Newly elected president is Pat Teverbaugh with Chuck Cully assisting him as vice-president. Taking the minutes will be Rita Scherschel. Roberta Gray will serve as treasurer and Lori Bender will serve as historian. Sergeant-at-arms Andy Jones will keep order at the meetings.

***

"Little freshmen" host big party. The all-time first party was held in the gym Wednesday Nov. 13.

Featuring pool tables, ping-pong, volley ball and basketball, the freshmen were in for a fun night. This party was Camden's first "only freshmen" party.

In charge of the whole operation were Dan Durbin, Heidi Heath and Pat Gonzolez. Food and game committees were formed to make the evening one of enjoyment.

***

REMINDER: the Senior play, "Blithe Spirit", will be presented for public enjoyment on Nov. 22 and 23 in the Camden cafeteria.

Prospect Pulse

By Pat Hebard

The Buccaneers pounded the Panthers last Friday. A muddy field was the scene for a scoreless first half for both teams and a second half dominated by the Campbell team. The final score was 27-0. Junior Panther Larry Harris was hurt during the battle last Friday and was taken to the hospital. We hope to see him back in action soon.

The Panthers won in spirit at the game. Campbell's spirit judges did not show up and also they did not show the enthusiasm as did Prospect. The Panthers had a car caravan to the Buc field which helped promote this spirit.

The football team nominated candidates for Football Queen. They are seniors Jill Ebner, Peggy Howard, Kris Porter, Connie Penaluma, Diane Meitzell, Peggy Smith and Sue Shoemaker. The student body voted for their choice for queen last Friday. The Queen will be announced at the Thanksgiving Day game with Branham.

Speech and Debators went to a Speech Tournament this past weekend at Fremont High school. Eleven students from Prospect made the semi-finals. The tournament lasted all day in which students spoke to judges in two rounds. They competed with many other schools in the forensic league including Campbell and Blackford.

The Senior Play, The Miracle Worker, will be presented to the public this weekend. The production will cost each viewer with a student body card $1 and those without, $1.50. The proceeds of the play will go to the senior class activities.

The Twirp Dance was held last Friday evening. At this affair it was proper for the girls to ask the boys to escort them. During the week a hush day was held to discover who would be Mr. Irresistable. Senior Norbert Korp was crowned. The "Art" provided music for the students to enjoy. The dance lasted from 8 to 11.

Del Mar Dateline

By Janice Hallyburton and Molly Ford

In the junior magazine sales their goal of $6400 was not quite reached, but over $6200 was collected by the class of 1970. The three top salesmen were Richard Sanders, who won a Kodak Instamatic Movie outfit, Nadar Issa, in second place won QP-510-play tape with radio and Cindy Burt in third place won a QP-516 Swinger Camera. Other top salesmen were: Jan Hieman, Pat Rexroad, Ken Loeber, Carol Lawrence, Jackie Kalvelage, Dave Jurman, Cindy Brooks, Roberta Chaves, Mike Rohman, Crystal Clem, Chris Sacco and Vickie Macdonald.

This year the Senior class of 69 will present "The Mad Woman of Chaillot". Tickets are being sold by seniors for $1. Performances will be held Thursday, Friday and Saturday evening at 8 this week.

The Del Mar Debs held their elections early last week. Results are Karen Naghara, president; Patty Austin, vice-president; Patty Morse, secretary and Treasurer is Laurie Getz.

Del Mar was victorious over the winless Westmont High Friday afternoon (7-0), Nov. 15. Dick Cedar and Rich Fox played extremely well for the winning Dons.

Campbell Corners

By Barbara Handel

Campbell pounded Prospect last week with a score of 34-0. Randy Fujishin, Bob Marotti, Andy Morris, Mike Beeson, and Gary Tomasso made the seven touchdowns for the Bucs. The Panthers tried to hold us back with a 0-0 halftime score but were unsuccessful during the second quarter. In the third quarter we got two touchdowns giving us 13 points and during the fourth quarter we gained the other 21 to give us 34 total points.

The spirit at the game was good on both sides. Many former Campbell students were seen at the game to watch our team in action.

Despite the rain last Thursday, the Frosh-Soph team still played another winning game. Teamwork was shown throughout the game. The game was held at Prospect.

This week we play the Blackford Braves. The Frosh-Soph play at Campbell and the Varsity play at Blackford. Both games are at 3.

Last weeks "Players of the Week" were Halfback Mark Cunningham and Lineman Grant Mayfield.

Last Friday, the juniors had their Pizza party for anyone selling a limited number of magazine subscriptions during the magazine drive. The prizes for the top salesman and album receivers were given out. The turnout was good and everyone had a good time and went home full.

On Saturday, Nov. 9, the band went to compete with other schools in Northern California. The Flag Girls brought home a first place and drum major Perry Rogers won a second place.

The Senior play, held last Thursday and Friday, was a big success. The play was enioved by manv.

The Foreign Exchange Club Hootenany will be held in the cafeteria this Friday from 8-11 p.m.

Tickets for the Thanksgiving Day game against Los Gatos at Campbell are being sold in Rooms 1 and 35. The cost will be $1.50 for adults and 75 cents for children.

Petitions for the Spring "69" Student Council will be available starting this Friday, Nov. 22, in room 35.

Westmont Wails

By Keith Hohlfedlt

Warrior gridmen were trounced again last Friday by Del Mar with a score of 7-0. The loss was mainly accounted for by the event when the Warriors were less than 10 yards from the goal and in five plays they could not make the touchdown.

Westmont's game this Friday is with Saratoga at the Los Gatos stadium. It is a night game. The perspective results, known almost to everyone, are not very prospectively good.

Westmont's C courtmen have tied for first place in the WVAL championship after defeating Del Mar in their final game of the season last week. This championship is a first in Warrior hoop history.

The junior magazine sale bombed out this year. The sale started out strong but spiraled down hill at the end. The first week they grossed $1000, but after that sales receded considerably. Gross income from the sale was about $4250 resulting in a net profit to the Junior treasury of $1350. The money will go toward all the functions, such as the Junior Prom, Senior Ball, Senior Sneak day, etc. of the class of 1970.

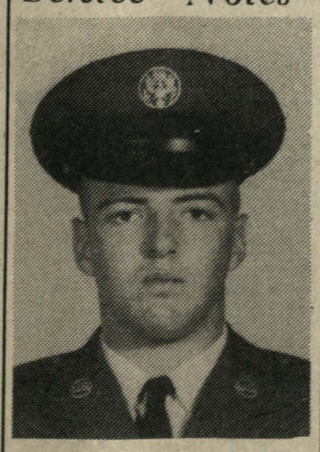
For the May District Honor Band Festival, students are now being chosen by the recommendation of band director, Gary Kenyon at Westmont. Besides the district honor band, there will be a state honor band for which 12 students from Westmont will audition. Auditioning will be done by tape recorder. These tapes and others from all over the state will be sent to Chabot College in Hayward where they will be judged.

Fifty semi-finalists will be chosen. They will go to Chabot for personal auditions. The best musicians will play in a symphonic band directed by famous bassoonist, Vernon Reed. The others will play in a concert band.

Last Thursday, a date with star football player Lance Anderson was raffled off. Girl's sports sponsored the raffle and members of Girls' Sports sold the tickets. National Merit Scholarship semi-finalist, Carol Brown, won the raffle and the date with Lance Anderson.

Teen Club at Westmont is in operation now, and they plan to have a dance this Saturday.

Service Notes



IN VIETNAM–Bill Brown, 20, the son of Mr. and Mrs. W.L. Brown, Beta Court, Campbell, is currently serving a term of service in Vietnam, as an Airman First Class with the 21st Task Force. A 1966 graduate of Westmont High School, he is also the grandson of Mr. and Mrs. Richard Adams, 825 S. San Tomas Road. A Campbell native, he attended Campbell elementary and high schools in the area, before joining the air force two years ago.

IN VIETNAM

Seaman Dwight L. Deem, USN, 21, son of Mr. and Mrs. Grant T. Deem of 45 S. Jane Ann Way, and husband of the former Miss Cindy B. Lowe of 1180 Nadine Dr., of Campbell is serving aboard the attack aircraft carrier USS Coral Sea off the coast of Vietnam.

LEGAL NOTICE

ORDINANCE NO. 656

BEING AN ORDINANCE OF CITY OF CAMPBELL ADDING CHAPTER 3 TO ARTICLE VII OF THE CAMPBELL MUNICIPAL CODE, ENTITLED PUBLIC WORKS, ESTABLISHING REGULATIONS AND PROCEDURES FOR THE REMOVAL OF OVERHEAD UTILITY FACILITIES AND THE INSTALLATION OF UNDERGROUND FACILITIES IN UNDERGROUND UTILITY DISTRICTS.

THE CITY COUNCIL OF CITY OF CAMPBELL DOES ORDAIN AS FOLLOWS:

SECTION ONE: That a new chapter to be designated as Chapter 3, establishing Regulations and Procedures for the Removal of Overhead Utility Facilities and the Installation of Underground Utility Facilities in Underground Utility Districts be and the same is hereby enacted and added to Article VII of The Campbell Municipal Code, entitled Public Works, with the following sections and provisions:

SECTION 7300 - DEFINITIONS

Whenever in this ordinance the words or phrases hereinafter in this section defined are used, they shall have the respective meanings assigned to them in the following definitions:

(a) "Commission" shall mean the Public Utilities Commission of the State of California.

(b) "Underground Utility District" or "District" shall mean that area in the City within which poles, overhead wires, and associated overhead structures are prohibited as such area is described in a resolution adopted pursuant to the provisions of Section 3 of this ordinance.

(c) "Person" shall mean and include individuals, firms, corporations, partnerships, and their agents and employees.

(d) "Poles, overhead wires and associated overhead structures" shall mean poles, towers, supports, wires, conductors, guys, stubs, platforms, crossarms, braces, transformers, insulators, cutouts, switches, communication circuits, appliances, attachments and appurtenances located above-ground within a District and used or useful in supplying electric, communication or similar or associated service.

(e) "Utility" shall include all persons or entities supplying electric, communication or similar or associated service by means of electrical materials or devices.

SECTION 7301 - PUBLIC HEARING BY COUNCIL

public hearings to ascertain whether the public necessity, health, safety or welfare requires the removal of poles, overhead wires and associated overhead structures within designated areas of the City and the underground installation of wires and facilities for supplying electric, communication, or similar or associated service. The City Clerk shall notify all affected property owners as shown on the last equalized assessment roll and utilities concerned by mail of the time and place of such hearings at least ten (10) days prior to the date thereof. Each such hearing shall be open to the public and may be continued from time to time. At each such hearing all persons interested shall be given an opportunity to be heard. The decision of the council shall be final and conclusive.

SECTION 7302 - COUNCIL MAY DESIGNATE UNDERGROUND UTILITY DISTRICTS BY RESOLUTION

If, after any such public hearing the Council finds that the public necessity, health, safety or welfare requires such removal and such underground installation within a designated area, the Council shall, by resolution, declare such designated area an Underground Utility District and order such removal and underground installation. Such resolution shall include a description of the area comprising such district and shall fix the time within which such removal and underground installation shall be accomplished and within which affected property owners must be ready to receive underground service. A reasonable time shall be allowed for such removal and underground installation, having due regard for the availability of labor, materials and equipment necessary for such removal and for the installation of such underground facilities as may be occasioned thereby.

SECTION 7303 - UNLAWFUL ACTS

Whenever the Council creates an Underground Utility District and orders the removal of poles, overhead wires and associated overhead structures therein as provided in Section 7302 hereof, it shall be unlawful for any person or utility to erect, construct, place, keep, maintain, continue, employ or operate poles, overhead wires and associated overhead structures in the District after the date when said overhead facilities are required to be removed by such resolution, except as said overhead facilities may be required to furnish service to an owner or occupant of property prior to the performance by such owner or occupant of the underground work necessary for such owner or occupant to continue to receive utility service as provided in Section 7308 hereof, and for such reasonable time required to remove said facilities after said work has been performed, and except as otherwise provided in this ordinance.

in this ordinance.

SECTION 7304 - EXCEPTION, EMERGENCY OR UNUSUAL CIRCUMSTANCES

Notwithstanding the provisions of this ordinance, overhead facilities may be installed and maintained for a period, not to exceed ten (10) days, without authority of the Director of Public Works in order to provide emergency service. The Director of Public Works may grant special permission, on such terms as the Director of Public Works may deem appropriate, in cases of unusual circumstances, without discrimination as to any person or utility, to erect, construct, install, maintain use or operate poles, overhead wires and associated overhead structures.

SECTION 7305 - OTHER EXCEPTIONS

In any resolution adopted pursuant to Section 7302 hereof, the City may authorize any or all of the following exceptions:

(a) Any municipal facilities or equipment installed under the supervision and to the satisfaction of the City Engineer.

(b) Overhead wires (exclusive of supporting structures) crossing any portion of a District within which overhead wires have been prohibited, or connecting to buildings on the perimeter of a District, when such wires originate in an area from which poles, overhead wires and associated overhead structures are not prohibited.

(c) Overhead wires attached to the exterior surface of a building by means of a bracket or other fixture and extending from one location on the building to another location on the same building or to an adjacent building without crossing any public street.

(d) Antennae, associated equipment and supporting structures, used by a utility for furnishing communication services.

(e) Equipment appurtenant to underground facilities, such as surface mounted transformers, pedestal mounted terminal boxes and meter cabinets, and concealed ducts.

(f) Temporary poles, overhead wires and associated overhead structures used or to be used in conjunction with construction projects.

(g) This Chapter and any resolution adopted pursuant to Section 7302 hereof shall, unless otherwise provided in such resolution, not apply to the following types of facilities:

(h) Poles, or electroliers used exclusively for street lighting.

(i) Poles, overhead wires and associated overhead structures used for the transmission of electric energy at nominal voltage in excess of 34,500 volts.

SECTION 7306 - NOTICE TO PROPERTY OWNERS AND UTILITY COMPANIES

Within ten (10) days after the effective date of a resolution adopted pursuant to Section 7302 hereof, the City Clerk shall notify all affected utilities and all persons owning real property within the District created by said resolution of the adoption thereof. Said City Clerk shall further notify such affected property owners of the necessity that, if they or any person occupying such property desire to continue to receive electric, communication, or similar or associated service, they or such occupant shall provide all necessary facility changes on their premises so as to receive such service from the lines of the supplying utility or utilities at a new location, subject to the applicable rules, regulations and tariffs of the respective utility or utilities on file with the Commission.

Notification by the City Clerk shall be made by mailing a copy of the resolution adopted pursuant to Section 7302, together with a copy of this ordinance, to affected property owners as such are shown on the last equalized assessment roll and to the affected utilities.

SECTION 7307 - RESPONSIBILITY OF UTILITY COMPANIES

If underground construction is necessary to provide utility service within a District created by any resolution adopted pursuant to Section 7302 hereof, the supplying utility shall furnish that portion of the conduits, conductors and associated equipment required to be furnished by it under its applicable rules, regulations and tariffs on file with the Commission.

SECTION 7308 - RESPONSIBILITY OF PROPERTY OWNERS

Every person owning, operating, leasing, occupying or renting a building or structure within a District shall construct and provide that portion of the service connection on his property between the facilities referred to in Section 7307 and the termination facility on or within said building or structure being served. If the above is not accomplished by any person within the time provided for in the resolution enacted pursuant to Section 7302 hereof, the City Engineer shall give notice in writing to the person in possession of such premises, and a notice in writing to the owner thereof as shown on the last equalized assessment roll, to provide the required underground facilities within ten (10) days after receipt of such notice.

(a) The notice to provide the required underground facilities may be given either by personal service or by mail. In case of service by mail on either of such persons, the notice must be deposited in the United States mail in a sealed envelope with postage prepaid, addressed to the person in possession of such premises at such premises, and the notice must be addressed to the owner thereof as such owner's name appears, and must be addressed to such owner's last known address as the same appears on the last equalized assessment roll, and when no address appears, to General Delivery, City of Campbell. If notice is given by mail, such notice shall be deemed to have been received by the person to whom it has been sent within forty-eight (48) hours after the mailing thereof. If notice is given by mail to either the owner or occupant of such premises, the City Engineer shall, within forty-eight (48) hours after the mailing thereof, cause a copy thereof, printed on a card not less than eight (8) inches by ten (10) inches in size, to be posted in a conspicuous place on said premises.

(b) The notice given by the City Engineer to provide the required underground facilities shall particularly specify what work is required to be done, and shall state that if said work is not completed within thirty (30) days after receipt of such notice, the City Engineer will provide such required underground facilities, in which case the cost and expense thereof will be assessed against the property benefited and become a lien upon such property.

(c) If upon the expiration of the thirty (30) day period, the said required underground facilities have not been provided, the City Engineer shall forthwith proceed to do the work, provided, however, if such premises are unoccupied and no electric or communications services are being furnished thereto, the City Engineer shall in lieu of providing the required underground facilities, have the authority to order the disconnection and removal of any and all overhead service wires and associated facilities supplying utility service to said property. Upon completion of the work by the City Engineer, he shall file a written report with the City Council setting forth the fact that the required underground facilities have been provided and the cost thereof, together with a legal description of the property against which such cost is to be assessed. The Council shall thereupon fix a time and place for hearing protests against the assessment of the cost of such work upon such premises, which said time shall not be less than ten (10) days thereafter.

(d) The City Engineer shall forthwith, upon the time for hearing such protests having been fixed, give a notice in writing to the person in possession of such premises, and a notice in writing thereof to the owner thereof, in the manner hereinabove provided for the giving of the notice to provide the required underground facilities, of the time and place that the Council will pass upon such report and will hear protests against such assessment. Such notice shall also set forth the amount of the proposed assessment.

(e) Upon the date and hour set for the hearing of protests, the Council shall hear and consider the report and all protests, if there be any, and then proceed to affirm, modify or reject the assessment.

(f) If any assessment is not paid within five (5) days after its confirmation by the Council, the amount of the assessment shall become a lien upon the property against which the assessment is made by the City Engineer, and the City Engineer is directed to turn over to the Assessor and Tax Collector a notice of lien on each of said properties on which the assessment has not been paid, and said Assessor and Tax Collector shall add the amount of said assessment to the next regular bill for taxes levied against the premises upon which said assessment was not paid. Said assessment shall be due and payable at the same time as said property taxes are due and payable, and if not paid when due and payable, shall bear interest at the rate of six per cent (6%) per annum.

SECTION 7309 - RESPONSIBILITY OF CITY

City shall remove at its own expense all City-owned equipment from all poles required to be removed hereunder in ample time to enable the owner or user of such poles to remove the same within the time specified in the resolution enacted pursuant to Section 7302 hereof.

SECTION 7310 - EXTENSION OF TIME

In the event that any act required by this ordinance or by a resolution adopted pursuant to Section 7302 hereof cannot be performed within the time provided on account of shortage of materials, war, restraint by public authorities, strikes, labor disturbances, civil disobedience, or any other circumstances beyond the control of the actor, then the time within which such act will be accomplished shall be extended for a period equivalent to the time of such limitation.

Passed and adopted this 12th day of November, 1968 by the following vote:

AYES: Councilmen: Chamberlin, Doetsch, Rogers, Smeed

NOES: Councilmen: None

ABSENT: Councilmen: None

NOT VOTING: Councilmen: Hyde

APPROVED: William S. Smeed, Mayor

ATTEST: Dorothy Trevethan, City Clerk

Publish: Nov. 20, 1968

Obituaries

Father of 13 dies suddenly Friday morning

Dr. Stanley Thomas Robinson, 46, a resident of Campbell for the last 12 years, passed away suddenly Friday morning, Nov. 15 at his home, 275 W. Cherry Lane. An ophthalmologist, his death was attributed to heart failure.

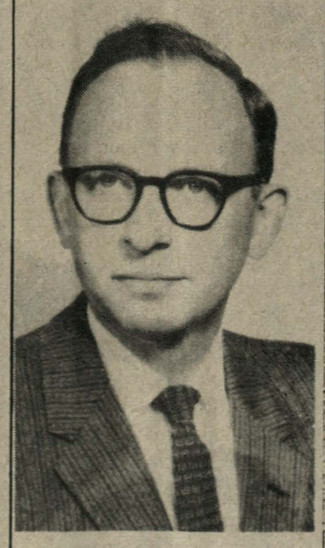
A native of Portland, Oregon, Dr. Robinson was graduated in 1947 from the University of Oregon, in medicine and in 1953 received his degree from the University of Minnesota in ophthamology.

The Rosary was recited Sunday evening from the Campbell Memorial Chapel with the Requiem Mass held Monday morning at St. Lucy's Catholic Church. Final burial was in the Santa Clara Catholic cemetery.

A veteran of World War II, he was a member of the Santa Clara County Medical Association; Peninsula Eye Society; Phi Beta Kappa member; Knights of Columbus; Holy Name Society of St. Lucy's Church, Stevens Creek Exchange club and Projects Mexico.

Survivors include his widow, Mrs. Virginia Robinson and 13 children, Steven, Michael, Mark, David, Patricia, Daniel, Mary Ann, Peter, Kathleen, Richard, Jane, James and Christopher, all of Campbell.

He is also survived by two brothers, Donald M. Robinson and Byron Robinson, both of Oregon and a step-mother, Mrs. P.M. Robinson, also of Oregon.



Dr. Stanley Robinson

MARY ETTA HACK

Funeral services were held Monday from the Campbell Memorial Chapel for Mary Etta Hack who passed away in her sleep Nov. 15. Mrs. Hack, who resided at 158 W. Rosemary Lane, was 75 at the time of her death.

She was the widow of William Hack who passed away three years ago.

A native of Jonesboro, Tennessee, she was a member of the Congregational Church of Campbell.

Mrs. Hack was the sister of Mrs. Virginia Cornland; Mrs. Ethel Hanna, Mrs. Blanche Hasslock, and Mrs. Nellie Woolsey, all of Los Angeles; Mrs. Jessie Porzo, James and Walter Babb, all of Nebraska and Mrs. Frances Hanna of Santa Anna, Texas. She was also the aunt of Robert Baumgardner of San Jose and Mrs. Vivian Best of Los Angeles.

The Rev. Anthony Wayne Myers conducted the final services with interment in the Los Gatos Memorial Park.

MORT JEFFERY

Final rites were held last Wednesday for Mort T. Jeffery, 63, who passed away Nov. 11 following a long illness. Jeffery, a real estate broker, was associated with Bill Harrison's Realty, 2605 Winchester Blvd.

A resident of 380 Sunnyoaks, Jeffery had lived in the Campbell area for the last 15 years. He was a member of the John T. Jarman Lodge 669, F&AM, and funeral services, held at the Oak Hill Mortuary chapel, were under the auspices of the Masonic lodge.

Survivors include his wife, Mrs. Dorothy Jeffery; a son, Thomas Jeffery and a daughter, Mrs. Carolyn Mardesich, all of Campbell. Another son, Bruce Jeffery resides in Napa.

He was the brother of Mrs. Marion Craven of Long Beach and Wilfred Jeffery of Lomita; and the grandfather of seven grandchildren.

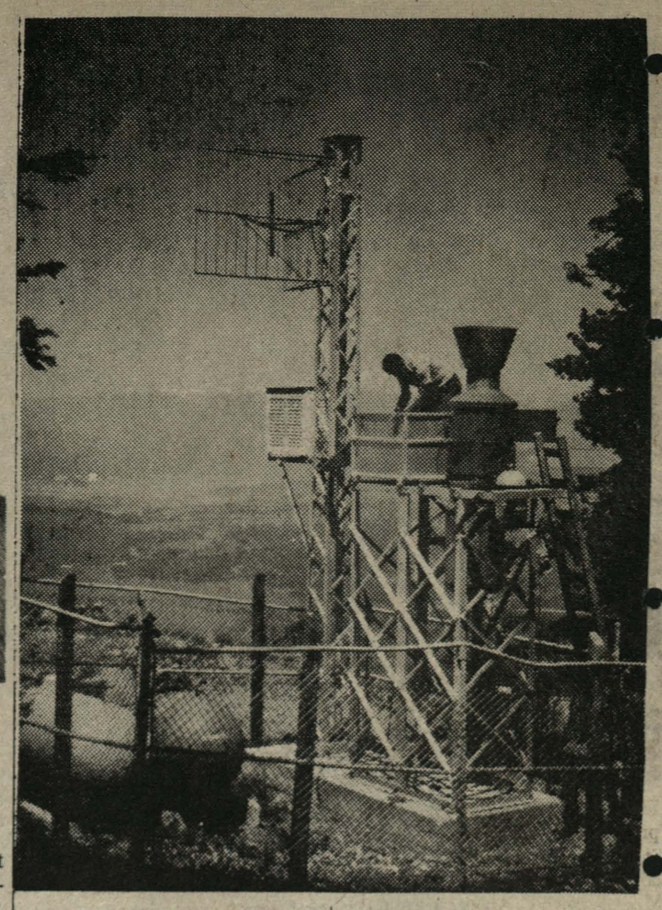
Final inurnment was at the Oak Hill Memorial Park.

ROY STEVENSON

Roy Owen Stevenson, 78, passed away Nov. 17 following a long illness. A resident of 1118 Longfellow Ave., he was born in Visalia, resided in the Pleasanton area before moving to Campbell a year ago.

Stevenson was a retired heavy equipment operator. He is survived by his wife, Mrs. Irene M. Stevenson of Campbell; two sons, Richard Stevenson of Campbell and Robert Stevenson of Redwood City, and a daughter, Mrs. Lorrene Ogle of Crystal Bay, Nev. Other survivors include five grandchildren, one great grandchild, three sisters and a brother.

Final services were held today from Darling, Fischer & Faber's Chapel of the Hills, Los Gatos with inurnment in the Los Gatos Memorial Park.



TOP LEVEL JOB--High in California's Sierra, Warren L. Scott, field meteorologist for Pacific Gas and Electric Co., adjusts radio control equipment on a ground generator used to produce silver iodide crystals in cloudseeding operations. Burners like these, developed by PG&E in a five-year study in the Lake Almanor region, will be used in a new "partnership" research project whose goal is to increase the snow crop on the Stanislaus and Mokelumne watersheds. This photo was taken atop 7,500-foot Mount Dyer above Lake Almanor.

CECIL BEARDSLEY

Final services were held Monday at 10 a.m. for Cecil A. Beardsley, 74, who passed away Thursday following a heart attack at his home, 1200 Stein Way.

A native of Omaha, Neb., Beardsley had resided in this area for 17 years. He was employed as a guard at a San Jose bank at the time of his death.

He is survived by his wife, Iva L. Beardsley and two grandchildren.

Services were under the direction of the Dowdle-Emerson Mortuary, San Jose with final interment in the Rose Hills Memorial Park, Whittier, California.

PARK ASSISTANT

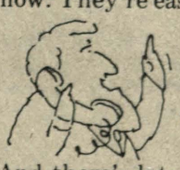
Thomas A. Crandall, formerly Assistant Executive Secretary of the Fish and Game Commission, has been appointed Assistant Director of Parks and Recreation for Santa Clara County. He began work Nov. 18, according to Bob Amyx, Parks and Recreation Director.

If you know somebody whose physical handicap has kept him from using the phone, maybe we can help. We have special equipment for handicapped persons. For instance, a person who's paralyzed and can't hold a receiver can easily use our regular speakerphone or possibly an operator type headset. A telephone volume control is available for people who have impaired hearing. There are also loud bells, chimes, horns and lights to announce phone calls that otherwise might be missed. For individuals with weak voices, we have phones that amplify.

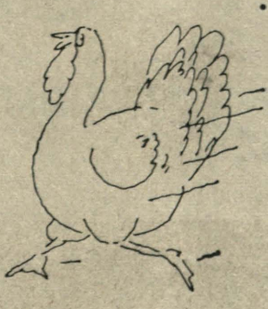
We believe that telephone service is for everybody. Give us a call at our Business Office; we'll do our best to see about adapting a phone to meet special needs.

• • •

Did you know that you can place a single call and talk to several people in different places at the same time? Have a 3 or 4-way conference call? If you'd like to do this, the introductory pages of your phone book tell you how. They're easy to use and full of useful, everyday information like how to dial long distance calls direct, how to find area codes for other communities, how to reach Repair Service. And there's lots more. So, save yourself time and energy—check the front pages first.



• • •



It's time to bring out the turkey and cranberry sauce again. And all of us here in the Campbell business office wish you a very happy Thanksgiving!

Pacific Telephone

Jerry J. Arca,
Your Telephone Manager in Campbell

FIVE GENERATIONS--were present when Mrs. Gertrude Stanford, center, entertained last week. Present were l. to r. Mrs. Robert C. Gray, a great niece; Mrs. Edmond C. Sheehy, III, a great, great niece; Mrs. Stewart Lockwood, a niece, while Mrs. Stanford holds Laura Michele Sheehy, who is a great, great, great niece.

Four nieces gather at home

There are five generations represented at Mrs. Gertrude Stanford's home on N. Central Ave., in Campbell recently when she entertained relatives from Paradise, Calif. and Sacramento.

Mr. and Mrs. Stewart Lockwood of Paradise provided the floral arrangements, using several of the unusual varieties of chrysanthemums from their garden. Mrs. Lockwood is the daughter of Mrs. Stanford's brother, Dr. John C. Maxson.

Their daughter and son-in-law, Mr. and Mrs. Robert C. Gray, showed the color slides that had been taken at their home when the family celebrated Mrs. Stanford's 93rd birthday in 1967, and slides taken Aug. 1, 1968 at the Lafayette home of Mrs. Stanford's son, Richard, when her 94th birthday was observed. It was the first time Mrs. Stanford had seen the pictures.

The Gray's daughter, Mrs. Edmond C. Sheehy, III, also of Sacramento, brought the fifth generation of the distaff side of the family, seven-week old Laura Michele Sheehy.

Baby Laura Michele's father, a Specialist Five in the United States Army, is now stationed in Germany.

SCHOLARSHIP

Gregory Wiles, the son of Mr. and Mrs. Ron Wiles, 1631 Manton Ct., has been recently awarded a $250 scholarship by the Jewel Home Shopping service. Gregory is a sophomore at John Hopkins University, and has spent the last three summers as a "relief operator" for Jewel while the regular service people were on vacation.

The Silver Coach opens doors Thursday

The Silver Coach, one of the newest additions to the restaurant scene, will open its doors Thursday evening, Nov. 21. Situated in the Rolling Hills Shopping Center at 1425 Hacienda Ave., the new eating establishment is owned and managed by Aristotle Conom and Pete Sandas, who both bring a background of restaurant ownership and management to the Campbell scene.

The Silver Coach will feature a new addition to the delights of dining out, in "observation cooking", and Jack the Chef will do all his cooking where he can be seen during the entire cooking operation. Featuring steaks, fresh shell fish and veal dishes, The Silver Coach promises to become one of the better known dining and dancing "places to go".

The beautiful Old English decor will be set off by red tablecloths and the owners have commissioned Regnilla to do original paintings for the dining room and lounge.

Live music, wines by Paul Masson, a staff of 10, and experienced hosts ready to serve the dining public's slightest wish, add up to a delightful dining pleasure.

Sandas served his restaurant apprenticeship in Port Angeles, Washington before moving to Lake Tahoe where he owned a restaurant, and recently in Santa Cruz where he managed the Modern Bakery, learning all about breads and pastries.

Aristotle brings a life time of being in the restaurant business to The Silver Coach, having been raised in a restaurant family in King City where his father owned a large eating house. He has rounded off his knowledge with a BA in economics from the Arlington State University in Texas. He is married and the father of one son.

So, don't forget, Grand Opening on Thursday, Nov. 21 with open house on Friday and Saturday. Jack the Chef has had nearly 10 years cooking experience behind him and will be delighted to serve you one of the specialties of the house. Phone 379-6074 for reservations.

LANCE TAYLOR --at work

Lance Taylor serves on light opera staff

Lance Taylor, son of Mr. and Mrs. Robert W. Taylor, 165 S. Hunt Way, and a junior in Campbell High School, was one of the active "behind the scenes" workers for the recent excellent performance of the San Jose Light Opera production of "The King and I".

Lance, although just 16 years old, served as assistant to Jim Corey, lighting director for the production. Lance does not confine his activities to stage plays, he also runs the projector for Adult Education classes three nights a week. He has already helped produce 10 shows and is determined to become proficient in the dual field of lighting and audio-electronics.

School receives CAHPER award for service

Campbell Elementary School recently received the 1968 outstanding service award from the Santa Clara County unit of CAHPER for significant contributions to the profession of health, physical education and recreation.

The award was presented to Mrs. Dorothy Sutter, principal, at a banquet meeting.

In presenting the award, it was stated that it was given because of the school's excellent physical education and sports programs, plus the leadership role played by the school in Santa Clara County and in the State.

For three years the Campbell school was one of the two California junior high schools chosen as a demonstration center for both boys' and girls' physical education.

In accepting the award Mrs. Sutter gave credit to Mrs. Lois Hoyt and John Tierney, demonstration leaders, for their outstanding work with students and with the program; Neal Royer, superintendent, for his continuous support and interest in students and the program; and Joe Stein, physical education consultant, for his leadership and cooperation.

Alumnae plans Thursday meet

Mrs. John Murphy, Campbell alumnae vice president of Delta Zeta Alumnae, announced that the association will meet Thursday, Nov. 21 in the Gamma Lambda chapter house, 201, S. 11th St., San Jose.

The regular business meeting will begin at 7:45 p.m. followed by a demonstration of gift wrapping. A 50 cent hostess fee will be charged for materials and members are asked to bring scotch tape.

Reservations may be made with Mrs. Charles Gladdish or Mrs. James Thompson.

RECEIVES AWARD--Mrs. Dorothy Sutter, center, Campbell Elementary School principal, holds the award recently presented to the school from the Santa Clara County unit of the California Association of Health, Physical Education and Recreation for significant contributions to the field. With Mrs. Sutter are l. to r. Neal Royer, Campbell Elementary district superintendent; John Tierney, demonstration leader; Mrs. Lois Hoyt, demonstration leader, and Joe Stein, physical education consultant.

LEGAL NOTICE

RESOLUTION NO. 2551

BEING A RESOLUTION AND NOTICE OF INTENTION TO ANNEX CERTAIN UNINHABITED TERRITORY CONTIGUOUS TO CITY OF CAMPBELL DESIGNATED AS McGlincey 1968-7 ANNEXATION TO CITY OF CAMPBELL, AND FIXING TIME AND PLACE OF HEARING PURSUANT TO PROVISIONS OF ANNEXATION OF UNINHABITED TERRITORY ACT OF 1939, AS AMENDED.

WHEREAS, the City Council of City of Campbell has received a written petition from the owners of not less than one-fourth (1/4) of the area and of the assessed value of certain contiguous uninhabited territory, according to the last preceding equalized assessment roll of the County of Santa Clara, State of California, in which such territory is situated; and,

WHEREAS, said petition requests the annexation of said uninhabited territory as defined in the Government Code of California, a municipal corporation; and,

WHEREAS, the proposal for the annexation of said uninhabited territory to the City of Campbell has been submitted to the Boundary Commission of the County of Santa Clara, State of California, and that the boundaries thereof have been approved and certified as to their correctness by said Boundary Commission; and

WHEREAS, the City Council finds and determines that it is for the best interest and general welfare of the people of the City of Campbell that said property referred to and hereinafter particularly described, be annexed to the City of Campbell;

WHEREAS, the City Council desires to designate said annexation as McGlincey 1968-7 Annexation to the City of Campbell as the approximate name by which said annexation shall hereafter be referred; and

WHEREAS, the City Council desires to annex the said territory to the City of Campbell, California; and

WHEREAS, there has been compliance with all other statutory requirements provided by the "Annexation of Uninhabited Territory Act of 1939", as amended,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Campbell that it is intention to annex to said City pursuant to the provisions of the Annexation of Uninhabited Territory Act of 1939, as amended, the territory commonly known and designated as McGlincey 1968-7 Annexation to the City of Campbell, the description of which is set forth in Exhibit "A" entitled "Description for McGlincey 1968-7 Annexation to the City of Campbell", which is attached hereto and made a part hereof.

BE IT FURTHER RESOLVED, AND NOTICE IS HEREBY GIVEN, that Monday the 23rd day of December, 1968 at 8:00 P.M. of said day at the Council Chambers of City of Campbell, in City Hall, 75 North Central Avenue in City of Campbell, are hereby fixed as the time and place for the hearing of written protests and objections to the said proposed annexation, which said protests shall state the names of all of the owners of the property affected, and the description and area of the property in general terms; and

BE IT FURTHER RESOLVED that a copy of the Resolution and Notice be published once a week for two successive weeks in The Campbell Press, a newspaper of general circulation, published in said City, and once a week for two successive weeks, in the West Valley Times, a newspaper of general circulation, published in the County of Santa Clara, California, and that the City Clerk forthwith mail a written notice of the proposed annexation to each person to whom land within the territory proposed to be annexed is assessed in the last equalized county assessment roll or as known to said Clerk and to any person who has filed his name and address of the lands in which he has any interest, either legal or equitable with said Clerk.

PASSED AND ADOPTED this 12th day of November, 1968, by the following vote:
AYES: Councilmen: Chamberlin, Doetsch, Hyde, Rogers, Smeed
NOES: Councilmen: None
ABSENT: Councilmen: None
APPROVED: William S. Smeed, Mayor

ORDINANCE #654

BEING AN ORDINANCE OF THE CITY OF CAMPBELL, CALIFORNIA, AMENDING CERTAIN EXHIBITS TO A PORTION OF ORDINANCE #514 APPROVING REVISED PLANS, ELEVATIONS, DEVELOPMENT SCHEDULE, MAP AND LEGAL DESCRIPTION FOR PLANNED DEVELOPMENT ZONE ON HAMILTON AVENUE.

The City Council of the City of Campbell does ordain as follows:

SECTION ONE: That Exhibit "A", entitled "Development Schedule", Exhibit "B" entitled "Plans and Elevations" and Exhibit "C" map and legal description of Ordinance #514 are hereby rescinded.

SECTION TWO: That the following Exhibit "A", entitled "Development Schedule" and Exhibit "B" entitled "Plans and Elevations", copies of which are on file in the Planning Department, and Exhibit "C" map and legal description of said property attached hereto and made a part hereof be hereby adopted subject to the following conditions:

1. Property to be fenced and landscaped as indicated and as added in "red" on plans.

2. Landscape plan indicating type of plant material, location of hose bibs or sprinkler system and type of fencing to be submitted for approval of the Planning Director at time of application for building permit.

3. Faithful performance bond in the amount of $3,000 to be posted to insure landscaping, fencing and striping of parking area within three (3) months of completion of construction, or applicant may file written agreement to complete landscaping, fencing and striping of parking area prior to final building department clearance.

4. An enclosure consisting of a concrete floor surrounded by a six foot high solid wall or fence shall be constructed to house trash containers for buildings, A, B, and D. Building C shall be provided with one or more enclosures of same type depending on number of units. Enclosures to be in area approved by the Planning Director and Fire Department. Said enclosure to be 8' x 12' minimum with 6' self-closing gates.

5. All parking and driveway areas to be developed in compliance with Section 9319 of the Campbell Municipal Code.

6. Underground utilities to be provided as required by Section 9110.6 of the Campbell Municipal Code.

7. Plans submitted to the building department for plan check shall indicate clearly the location of all connections for underground utilities including water, sewer, electric, telephone and television cables, etc.

8. Sign application to be submitted in accordance with provisions of the sign ordinance for all signs. No sign to be installed until application is approved and permit issued by the building department.

9. No access to shopping center shall be allowed via exit driveway at east end of Union Oil Station on Hamilton Avenue.

10. Balance of street improvements to be constructed along entire frontage of developments.

11. Developer to pay storm drain fee at $765.00 per acre.

12. Applicant to file and process minor subdivision application for parcels known as 306-22-19 and 306-23-35 of the County Assessor's Records.

Don't lay your life on the line.

Don't lay your life on the line, Pacific Gas and Electric Company warns.

When working with high rising equipment, show a lot of respect for power lines.

Cranes, booms, scaffolding, drilling rigs, hay derricks, nut shakers and irrigation pipe become dangerous electrical conductors when they touch overhead power lines, PG&E says.

Before installing television antennas, be sure that guy lines, masts and antenna will not come into contact with any power lines.

Don't raise irrigation pipe until you are certain the pipe will not come into contact with any power line.

Play it safe. Never move construction rigs with the boom up, or lift pipe, or shake nuts from trees without first checking for the location of the power lines.

State law makes it a misdemeanor, punishable by fine or imprisonment, or both, to operate any tool or equipment within six feet of power lines.

If it becomes necessary to operate equipment within the six foot limit, notify the nearest PG&E office and arrange for the line to be de-energized or moved, the company says.

Remember, look up—and look out for power lines. It could save your life.

ON CAPITOL HILL

with "Charlie" Gubser

In my sixteen years of Washington experience many changes have taken place in compliance with public demand. But never have I seen public opinion so unified as it is in opposition to the electoral college system.

Chairman Emanuel Celler (D-NY) of the House Judiciary Committee has already announced his intention of holding hearings on the subject in response to widespread public opinion. As a result it will be very surprising if the 91st Congress does not abolish the system as one of its first major actions.

But despite the speed with which the legislative machinery seems to be turning, there are many roadblocks ahead which could delay this vitally needed change.

First, there is the problem of what to do about the Vice Presidency. Since voters would be casting their ballots for individual candidates instead of a slate of electors pledged to a team, a straight popular vote might give us a Republican President and a Democratic Vice President. Such a situation would be foreign to our system of partisan responsibility, and must be prevented.

If we are to have a reform of the electoral college, then some means must be found of placing the two top candidates on the ballot as a slate while avoiding the question of reforming the convention system of choosing candidates. These issues must be taken one at a time if we are to avoid confusion which could stymie all action.

Another grave difficulty will come with the power the "Old South" holds in Congress and in our political structure. In the last election George Wallace hoped to be a spoiler and to control enough electoral votes to gain concessions. His power lay in his potential bargaining power and not in his political support.

Southern politicians have long used the same technique to gain disproportionate power. Through the Democratic Party they have controlled the legislative machinery and have placed Chairmen in eleven out of thirteen Senate committees and fourteen of twenty-one House committees. In the final analysis their loyalty has always been with the Democratic Party because a Democratic majority was the source of their power. But at the same time they have played one side against the other by occasionally using their votes as the balance of power.

If I know Southern legislators they will not be too anxious to give up the type of influence which has served them so well over the years. Because abolition of the electoral college will be one more step toward taking political power from the South and spreading it equitably across the nation, I fear concerted opposition from Southerners.

I strongly favor abolition of the electoral college, but as a legislative realist I recognize that to accomplish it we must move quickly while public support remains near the high level generated by the recent campaign.

SEALS ON WAY--George A. Starbird, former San Jose mayor and chairman for the 61st annual Christmas Seal drive of the Tuberculosis and Health Association of Santa Clara-San Benito Counties, watches envelopes being stuffed with Seals for mailing. L. to r. are: Mrs. Rita Shear, Campbell, Mrs. Peggy Sugars, Mountain View and Miss Susan Tomskemper, Sunnyvale. Contributions can be sent to the association at 1144 N. Fourth St.

BIRTH DEFECTS

A symposium on birth defects, in which some of the nation's best known authorities will participate, is scheduled for Nov. 22 in the Leininger Community Center, 3100 Senter Rd., San Jose.

Information or reservation forms are available at the National Foundation-March of Dimes, 1183 Lincoln Ave., San Jose, 95125, phone 297-1864.

LAFC CHAIRMAN

The Local Agency Formation Commission (LAFC) has chosen Aaron Corenman, Los Altos City Councilman, as its Chairman for 1968-69, and Maurice Dullea, of Santa Clara, as vice chairman.

Councilman William (Denny) Weisgerber, of Milpitas has been the chairman.

STATE PRESIDENT

Bruce Curtis, assistant duplication supervisor of the County's Reproduction Service, has been elected president of the California Association of Reprographics.

UNITED FUND AWARD-- United Fund's own version of The Oscar, the little "Good Guy" Award for outstanding leadership has been presented to United Fund's Campbell campaign for 1968. Holding the statue above is Robert Harrison, local chairman, Don Kennedy, commerce and industry chairman, and Helen Andres, who headed the drive in Campbell, looks on.

Former ambassador to Moscow to highlight college forums

The "Monday Night Forum," a series of four discussions on United States foreign relations, and highlighted by the appearance of Foy D. Kohler, former U.S. Ambassador to Moscow, is scheduled for the first four Mondays in December at West Valley College, all beginning at 8 p.m.

The program, sponsored by the college's Office of Community Services, will be held in the auditorium, Campbell Avenue and Winchester Blvd.

The opening program, Dec. 2, will feature Deane Robertson of Sacramento State College, and drawing on his background as a journalist and an authority on Russian history, he will speak on "The United States as it Appears to Soviet Readers."

On Dec. 9, Kohler, who is also a former Deputy Undersecretary for Political Affairs in the U.S. Department of State up to the time of his retirement from service early this year, will be the speaker. He is considered an outstanding authority on the Soviet Union and a career diplomat. Currently, he is with the Center for Advanced International Studies at the University of Miami. He speaks on "Soviet-American Relations."

He will be followed Dec. 16 by Professor Armin Rappaport, provost of one of the colleges at the University of California, San Diego. He too, is considered one of the leading diplomatic historians in the United States. His topic is "Europe–The Fourth Center of Power."

West Valley College dips into its own well qualified resources for the Dec. 23 session, which will be presented by Robert Fricke, an instructor in history and political science at the college. He was educated at the Bolton School of Historians, with emphasis on the United States-Latin America and California history." He will speak on "Latin America–Ferment and Revolution."

West Valley Sports

BY DICK SPARRER

VIKINGS LOSE TITLE

The DeAnza Dons ended the West Valley Vikings dream of a Camino Norte Conference championship last Saturday night as they rambled to a 27-21 victory at Spartan Stadium.

The win moved the Don's season record to 5-4 and secured for them a first place tie in loop action with the College of Marin, each boasting 4-1 marks.

The Vikings hold a third place CNC berth with a 3-2 standing.

DEANZA WINS POLO

In a game that very easily could have been confused with the finale of last year, the DeAnza Don water-polo pulled out their second straight league championship with a 4-3 win over the Vikings of West Valley College.
